

# GAIN TEACHER CERTIFICATION AND EXPERIENCE IN A CANADIAN PUBLIC SCHOOL

Nova Scotia Education Immersion Program (NSEIP)

*"The TEYL program gave me the skills I need to pursue a career as an English teacher in Brazil. The combination of hands on learning, small class sizes, and living in an English immersion environment gave me confidence in my ability to teach English to young learners."* **Samuel, Brazil**

*"The TEYL and the NSEIP Programs have both been amazing learning experiences. I am an Education student in Japan and this program has given me opportunity to work with young children in English, something I could never do at home. The two programs compliment each other as I learned the skills to teach children at ECSL, and then I had the chance to work with a Canadian teacher in a Canadian school with the NSEIP."* **Yuka, Japan**
